ADVERTISING AT RAILWAY STATIONS.

THE Proprietor of the "Bombay Gazette" Press having leased (among other privileges) from the Great Indian Peninsula Railway Company, and the Bombay, Baroda, and Central India Railway Company, the exclusive right of advertising at all the Railway Stations belonging to those two Companies, is prepared to contract with parties desirous of posting Notices or Advertisements on the lines.

The announcements may be in English or in any of the Native languages.

The advantages which Railway Stations present as a means of bringing intimations of all kinds before the Public have been demonstrated in England by the extensive use which is made by Advertisers, of every station, great and small, along every line in the United Kingdom.

Insurance Companies, Shipping Companies, Hotel-keepers, Merchants, Traders, and others who wish to force their business on the notice of the Public, all alike value the privilege of Railway Station Advertising.

There is no reason why the privilege should not be also specially valuable to Advertisers in India. Looking to the great and increasing number of Native Railway Passengers on the two trunk lines of Western India, native merchants, traders, &c., seeing that they have the privilege of advertising in their own language, would find the publication of their announcement at Railway Stations a decided means of extending their business.

And as nearly All Travellers arriving in India now leave at Bombay, and proceed by the G. I. P. or B. B. and C. I. Railways to their destination, Placards exhibited at the different Stations on those lines are every day becoming more and more valuable as means of bringing the Advertisers' business to the notice of the Public.

Advertisers can select the Stations, on either line, at which they wish their Placards posted, and may advertise for any period that may be agreed on. The charges have been fixed on an extremely moderate scale to encourage Advertisers to make a liberal use of this new means now offered of making announcements known to the Public.

Placards, according to the taste of Advertisers, may be printed at the "Bombay Gazette" Press.
